PROFESSIONAL EXPERIENCE

Senior Account Executive | Gonsalves & Nayak Chartered Accountants

Jul 2026 – Present

- Promoted from Audit Executive for strong performance. Now guides and mentors the team on reporting and analysis.
- Trains team members on accounting software, financial statement prep, and compliance. Go-to resource for technical questions.
- Leads audit engagements, financial statement finalization, and analytical reviews. Owns team guidance and quality review.

Audit Executive | Gonsalves & Nayak Chartered Accountants

Apr 2025 – Jun 2026

- Led a team of 6 across 70+ client audits — statutory, tax, and internal. Met 100% of reporting deadlines.
- Finalized financial statements — Balance Sheet, P&L, Notes to Accounts — for 30+ entities across industries.
- Built projected financial statements. Applied ratio analysis to assess financial health and guide client decisions.
- Learned a new ERP system with no prior exposure. Became proficient within weeks; used it for compliance and reporting.
- Supervised and allocated team workload. Reviewed audit documentation and lifted assignment efficiency by 15%.
- Main point of contact for clients. Resolved audit and compliance queries while maintaining strong relationships.
- Verified accounting records and vouchers in detail. Found discrepancies, strengthened controls, cut reporting errors.
- Managed tax and regulatory filings for multiple clients. Achieved 100% on-time submission.

Freelance Tally Accountant | Self-Employed

Jul 2023 – Dec 2024

- Handled end-to-end bookkeeping for 4+ clients in Tally Prime, including sales, purchase, and journal entries.
- Reconciled bank statements and ledgers to keep client records accurate.
- Supported financial statement preparation, building the foundation for later audit and reporting work.

EDUCATION & CERTIFICATIONS

- CMA (US) — In Progress
- B.Com (Co-operative), Kannur University — 2020–2023
- Tally Prime with GST — TEPL
- MS Excel for Data Analytics — Coursera

PROJECTS & EXTRACURRICULAR ACTIVITIES

- Co-founded a small financial and accounting service business.
- Analyzed 100+ transactions for a co-operative bank report using data visualization (semester project).
- Led 12 volunteers to plan and run a college management fest for 100+ participants (university level).
